

Flower Pedal Circus

We offer up to hour long shows, street performing, acts, Q&A's, and workshops. Please contact if you would like Flower Pedal Circus at your event or school!

Meet the company!

Flower Pedal Circus was started by Cassie Caldwell and Will Aaron in 2022 as a name for the two person show that debuted in Kailua, Hawaii. After performing the show all over the island of Oahu, the name stuck and now represents all of Cassie and Will's work! Now, Flower Pedal Circus travels North America to put on shows in theaters, schools, and festivals across the continent.

Terrific! Our students and faculty enjoyed the performance! We definitely recommend for all schools and families to check out! Cassie is easy to communicate with and it was a breeze to coordinate this performance.

Your show was so much fun, and a little scary! The kids really had their world expanded by your talents.

Cassie, not only are you an excellent performer, but your work ethic and kindness shine brilliantly!

Will, all of us on the team know that when you're around, smiles and laughter follow. You bring joy with your kindness and good spirit both on and offstage.
